

# Statement from HM The King

October 14, 2025

It brings me considerably great joy that a new First Presidency of the Church of Jesus Christ of Latter-day Saints has been announced.

I wish to express my full unconditional support for President Dallin H. Oaks and his counselors, President Henry B. Eyring and President D. Todd Christofferson, as they lead the Lord's restored Church through the many challenges that we will encounter in the coming years.
