

Treaty of Diplomatic Relations between the Kingdom of Landopia and the Great Kingdom of Slitronia

Landopia Kuningriigi ja Slitroonia Suurkuningriigi vaheliste diplomaatiliste suhete kehtestamise leping

Preamble

This treaty establishes official diplomatic relations between the Kingdom of Landopia and the Great Kingdom of Slitronia the day of Saturday, twelve of October, Twenty-Twenty-Four, with the mutual recognition, between both of the nations as sovereign, free and independent nations with the mutual recognition between both nation's pertaining as well to each nation that as a sovereign independent state both nations are capable of establishing foreign relations, declaring war, concluding peace, establish commerce, contract alliances, and do any other acts that are widely recognized by sovereign states and/or nations as necessary for a government to be recognized as the government of an independent and sovereign state.

Article I.

It is mandated that the Kingdom of Landopia and the Great Kingdom of Slitronia mutually respect the institutions, laws, claimed territories and the citizenship of both the signatory states and their citizens (As part of the establishment of

Preambul

Käesolev leping kehtestab amethlikud diplomaatilised suhted Landopia Kuningriigi ja Slitroonia Suurkuningriigi vahel, käesoleval laupäeval, kaheteistkümnendal oktoobril, aastal kaks tuhat kakskümmend neli, tunnustades mõlemat osapoolt iseseisvate riikidena, mis on võimelised looma diplomaatilisi suhteid, kuulutama sõdu, leppima rahu, rajama kaubandussuhteid, sõlmima liite ja tegema muid toiminguid, mida suveräänsed riigid ja/või rahvad laialdaselt tunnustavad vajalikuks valitsuse sõltumatuks ja suveräänseks riigiks tunnustamiseks.

Artikkel I.

Selle lepinguga on Landopia Kuningriik ja Slitroonia Suurkuningriik volitatud tunnustama üksteise institutsioone, seadusi, territoriaalseid piire ja kodakondsust.

official diplomatic relations between the two nations).

Article II.

Both the Kingdom of Landopia and the Great Kingdom of Slitronia shall be able to work and will be able as a consequence of this treaty to enter a special partnership on projects with the other. Both shall be able as well as bound by this treaty to work on collaborating with one another on minor projects (with minor projects being defined as projects not lasting more than a week) and shall have an exclusive relationship should both nations collaborate on major projects which are defined as an outcome with both nations working together to try and produce that outcome (for example: economic development programs and climate change prevention programs) that are proposed by one another with the projects falling in the boundaries as defined by this treaty. All projects proposed by both nations are non-mandatory, but by working together on these types of projects, this treaty stipulates that it hopes that the mutual benefit which will contribute to the further strengthening of ties between both nations. (These projects shall be stipulated in future documents that come about as a result of this treaty).

Article III.

The Kingdom of Landopia and the Great Kingdom of Slitronia shall undertake the extension of their corporate and cultural relations by promoting cultural collaborations (For example: Sister City Agreements between the Cities of both nations, heraldry, awards etc...) between one another, supporting each other in

Artikkel II.

Mõlemad osapooled saavad käesoleva lepingu alusel teha koostööd ning sõlmida eripartnerlusi projektides. Mõlemad osapooled on võimelised koos töötama teise osapoole poolt välja pakutud väiksemates projektides (millena defineeritakse projekte, mis ei võta aega kauem kui nädal), kui ka suuremate projektide puhul, mille eesmärk on ühiste tulemuste saavutamine (näiteks: majandusarengu programmid ja kliimamuutuste ennetamise programmid). Kuigi osalemine neis projektides on vabatahtlik, loodetakse, et need toovad vastastikku kasu ja tugevdavad diplomaatilisi sidemeid. Täiendavad üksikasjad ja konkreetsed projektid määratletakse järgnevatel kokkulepetel.

Artikkel III.

Mõlemad osapooled võtavad ette omavaheliste korporatiivsete ja kultuuriliste suhete arendust, läbi neid suurendavate projektide korraldamise (nagu kaksiklinnade projektid, heraldika jagamise, ordenite andmine, jne.). Mõlemad osapooled toetavad üksteist välispoliitikas, juhul kui selle tegemine ei riku osapoole aluspõhimõtteid.

Artikkel IV.

See leping põhineb vastastikuse tunnustamise, liidu, sõpruse ja koostöö põhimõtetel. Lepingu muudatusi saab teha mõlema poole vastastikusel kokkuleppel.

foreign policy, unless there is a state of conflict based on each nation's own fundamental principles.

Article IV.

It is with positive intentions that both nations align in mutual recognition, alliance, friendship and collaboration and that the treaty may be modified as well as extended with the consensus of both parties.
