

## 15 November States Act

1. There will be two states in the State of Åland.
2. The first state will be Börkö which will be the coastal and urban area of the State of Åland.
3. The second state will be the Forst state being the inland area with forests.
4. These states will eventually get governors-

15 November 2024-President of the Sovereign State of Åland *Axel Himberg*
